

Are there any streets that you feel need maintenance or improvements? Please list with any comments, for example, snow removal, ruts, potholes, dust, etc.

1 -

2 The street in front of our house, Ann Street, could use a once a year shape in the spring and of course snow removal when needed. Maintenance - School Bus Driver Ralph Fegel has voiced concerns over his route.

3 Upper B roadway, Hanleys Reel streets need dust control. The yearly grading makes the streets rougher + DUSTY - County is responsible for dust control

4 -

5 Jefferson and Reel - Ruts and Potholes

6 -

7 Extreme dust - Reel, Jefferson, Hanley: Extreme ruts - Jefferson, Hanley, Center, Main

8 yes - drop the road grader blade and grade reel street where it is platted

9 Madison Street - We could use some gravel on road by our house

Madison Street - Please don't build up street higher by our drive & parking area as our small car can't get up to street in wet weather

10 -

11 -

12 Madison, Hanley, Jefferson, Reel - Snow removal, ruts, potholes

13 -

14 -

15 plow Hanley in winter

16 Dust - Reel St & Jefferson

17 Dust - The Potosi Road needs dust control. My brother, Joe Phillips, and us put Mag Chloride on it last year at our expense then the county came along this year & put gravel on it destroying the mag Chloride we had put down so I feel the county needs to do it! Perhaps soon as possible. Marilyn Ross is aware of this.

**Note: The county fixed this problem**

19 -

20 Exit off Pony Street onto main street going west is extremely unsafe in winter. This is especially true for Propane and Fuel Oil Delivery Trucks. Access needs to be cut back and filled to a more gradual approach.

When trucks are able to make winter deliveries, they can't get up Mallory so they have to turn around and go back to Pony Street. Then they can't safely turn up Pony Street, so they turn down and then have to turn around again to get back up the hill.

Mallory between Broadway and Main is rutted from the runoff from Broadway and without 4 wheel drive cannot be traveled in the winter and spring

**Note: in Early September the county fixed these problems**

21 -

22 -

23 - I'm not in Pony enough to feel I can comment

24 Dust - Potosi Rd - needs to be chlorided. We've contacted the C. Com. 4 years ago about this problem - It's been ignored - we privately paid to have it done. The dust is so bad we can't open our windows to cool down the house - you try it - Gets pretty Hot !!

**Note: The county fixed this problem**

25 North Willow Creek Road

26 dust - Reel street, AKA Johnson road going north - high speed by local residents - dust a hazard! This would be a God send if the speed was enforced and a dust deterrent was

Are there any streets that you feel need maintenance or improvements? Please list with any comments, for example, snow removal, ruts, potholes, dust, etc.

used. Company visiting us so far: two dogs hit. I hope my grandchildren won't be next

27 -

28 no

29 -

30 -

31 Most Streets - Gravel

32 ann Street - gravel, rut removal;

N. Willow - adjust width in town - gravel, rut removal

33 -

34 -

35 Centennial needs to be graded & graveled from Broadway to Mood - This portion needs to be plowed in winter as some of us can't do it.

36 -

37 -

38 -

39 -

40 Dust Control

41 no - grading once or twice a year is sufficient

42 not sure at this time

43 I sure wish they would finish this road Mood as many cares come in & have to turn around

44 -

45 -

46 Potosi Road ruts, Potholes, dust

47 Snow removal, ruts, potholes, dust, etc.
